

## Meditation #3

### *Fill It Up*

Experiencing the Fullness of God in Every Way!

## **Strong as You Wanna' Be!**

“And when they had set them in the midst, they asked, By what power, or by what name, have you done this? Then Peter filled with the Holy ghost said unto them...”

**Acts 4:7**

You'll get to a point in your journey, if you haven't already, when you realize your arrival at a level of spiritual power and strength previously unsurpassed. It is a spiritual state of power that is made available by God's grace and made attainable by your own thirst and hunger for more of God. This spiritual state of power is produced by the hard and disciplined work of steadfast study, prayer, fasting, and worship as your heart and mind and spirit contends for that extraordinary depth of union and utility in and with God. An, awareness, a life-changing revelation will result in your spirit:

**“In truth, I can be as strong as I wanna' be in God!”**

**The people of God can no longer afford to deny or ignore the truth of our capacities to be over comers. We can no longer surrender to the plight of suffering through the attacks and assaults of life as victims, as pawns of the world with no value or destiny. Whatever challenge you are facing today, whatever news you must confront, whatever obstacle still remaining in your path, know this: you've got the power within you to make it through and come out on the other side, greater and better than before you went in.**

It is by the power of Jesus of Nazareth, who has endowed us with the power of the gift of the Holy Ghost, which shall push and carry you through. How will you survive this? How will you strive and thrive through this? It is Jesus! It is Jesus I say! There are no limits to your capacity to come victoriously through. Take the limits off! Right now, available in you, in the Name of Jesus, is the power of the Holy Ghost to be as strong as you wanna be!

**Pray this:**

**Lord, I affirm today that I am no longer frail, lame, or victimized. Rather, in you, I declare the truth that I can today be as strong as I wanna be!**
