

# Morning Glory!

Oh God, thou art my God;  
Early will I seek thee:  
My soul thirsteth for thee

Psalm 63:1

## Advance Notice

**“Behold the former things are come to pass, and new things do I declare:  
before they spring forth I tell you of them.  
Sing unto the Lord a new song,  
And His praise from the ends of the earth...”**

**Isaiah 42:9-10**

It is true that some of you are dealing with the frustration and trial of having received a word from the Lord about the coming of a “New Thing” while you still remain seemingly stuck in an old situation. When you are the recipient of God’s prophetic word about what is to come, the vision and reality of that thing presses you and pulls you and pushes you. When God gives you advance notice it can be troubling, and cause you to become restless and sometimes impatient because you see it, feel it, know it, are purposed for it, and have been spoken to about it, and still do not yet have it

***When God speaks to you prophetically about what is to come, it seems as though it echoes within you and drives you and you find yourself anticipating it and navigating toward it, especially if its something you desire.***

***You start looking for signs of it and expecting its coming. The prophetic word always does this. But it’s frustrating because the seed for the “New Thing” has been planted in your spirit so deeply that you can’t truly rest until it “springs forth”.***

***Are you awaiting the arrival of your promised “New Thing” while still seemingly stuck in your “old situation”?***

Well, do what the word says. Sing! Sing unto the Lord!

***Just as sure as you heard it, God will perform it.  
The New Thing God has for you is only spoken to you  
because of the decision God has already made to do it.  
If God didn’t have plans of doing it, He would not have spoken it.  
He doesn’t bluff, jive, kid, play, or toy with his people concerning their lives and destinies.  
If He put it in your spirit then just start praising God for it!  
Trust what He has spoken to you your spirit!***

Listen, this battle is not yours! It is the Lord’s. He will perform what He has promised. He will cause to manifest what He has decreed. His word never returns void. It always accomplishes what He intends. If it is truly God who has placed the vision of the “New Thing” within you than Sing unto Him now! Whatever you’re waiting for, don’t wait to praise Him. Just the news ought to make you shout.

**Pray this:**

**Lord of glory, I honor You today by trusting the good news You have placed within my spirit.  
I praise You now, in advance, for the “New Thing” You have promised and will deliver!**
